*Read Exodus 32 and complete the following assignment.*

Idolatry is the worship of false gods (those can be persons, objects or concepts). God is the only one who is worthy of the ultimate expression of human faith, hope and love, because God is the Creator of all things.

Develop a list of people, places and/or things people idolize today. In the second column, list what pleasure is derived from each of these things. Afterward, in a full paragraph citing examples consider what true happiness is and whether these objects of idolatry provide ultimate happiness and well-being. Feel free to do research to help you develop your ideas.
