

Comic Book Assignment: The David Story

Religion
Kilbridge

1. In groups composed of three students, you are to create a comic book-style depiction of the story of David
2. You must include material covered in the following chapters:
1 Sam 16, 17, 18, 24-29 and 31; 2 Sam 11-16, 18; 1 Kings 1-2
See below for the three sections: The Rise of David, Court History I, Court History II
Each student in the group will be responsible for a different section.
3. You should devote about 5 to 6 pages to each section, with from four to six panels per page. This length is a suggestion, not a requirement, but realize that you will be graded on your ability to depict the story with some depth and accuracy.
4. This assignment will count as a major test grade (100 points).
5. Grading:
You will be graded on your ability to depict the story with accuracy and depth. The quality of your work will also be taken into account. The grade range by decade (i.e. 90's, 80's, 70's, 60's) will be determined by accurate rendering of the key elements of the story as listed on the on line Grade Sheets.
The grade you earn *within* this range will be determined by the quality of your drawings and dialogue, your use of color, the overall quality of your book. In other words, while the quality of your drawing will help your grade, you must meet *content* and *clarity* requirements first.
6. Due:
